BUILDING AND MAINTAINING HIGHWAYS FOR THE FUTURE

6 - 8 NOVEMBER 2011

QUALITY HOTEL PLYMOUTH INTERNATIONAL
NEW PLYMOUTH TARANAKI

12th
ANNUAL
CONFERENCE

'Utilising new and existing technology to achieve value for money'

ADVANCE NOTICE & CALL FOR PAPERS

We are pleased to announce that the 12th Annual NZTA/NZIHT conference will be held from 6-8 November 2011 at the Quality Hotel, Plymouth International, New Plymouth, Taranaki.

TOPICS

- Innovations and value for money
- Surfacing & pavement design and maintenance
- Moving freight in New Zealand
- Procurement and contract models
- ITS and traveller information
- Safety
- Risk Assessment
- Asset Management
- Traffic Management with a customer focus
- Skid resistance and surfacing
- Do our specifications, standards, performance measures and contract conditions encourage our goal of always "value for money" - and if not, why not?

This is a call for technical and policy papers and registrations of interest.

The papers will be refereed and selected by an independent and expert panel. Favourable consideration will be given to papers which challenge the current way of doing things and indicate how the industry can do things smarter, more efficiently and better to achieve "more value for money".

We look forward to you joining us in New Plymouth

Winner - Best Small City in the World Award

Liveable Communities Awards, Nov 2008

Winner - Top Town in New Zealand

North & South Magazine, Nov 2008

COST - The cost of the conference will be \$740.00 +gst per delegate. This includes the catering, welcome function, conference dinner and entertainment.

PAPER SUBMISSION - Abstracts must be 200 - 450 words and submitted electronically as PDF or Word attachment before the **31st July 2011** to jill@nzih.co.nz On your abstract please include the following: Title of Paper, Author(s) and/or the Presenter, Contact details for the Author(s) and/or Presenter and a brief bio of Presenter.
