

# WINTER MAINTENANCE SYMPOSIUM

## → ADVANCE NOTICE

The last Winter Maintenance Symposium was held in 2003 in Christchurch. The purpose of this symposium is to examine current needs, and to consider future strategies. Considerable technical progress has been made both in New Zealand and overseas since 2003. This time Queenstown will host this event and we invite you to join us in the "Winter Wonderland" of New Zealand to participate in this exciting and informative event. This symposium will focus on the following:

<b>OPERATIONS</b>	<ul style="list-style-type: none"> <li>→ current road controlling authority policies</li> <li>→ incident/hazard management</li> <li>→ legal issues</li> <li>→ contractual issues</li> </ul>
<b>SNOW/ICE CONTROL</b>	<ul style="list-style-type: none"> <li>→ equipment</li> <li>→ methods</li> <li>→ innovations</li> </ul>
<b>AVALANCHE CONTROL /SLIPS</b>	<ul style="list-style-type: none"> <li>→ equipment</li> <li>→ methods</li> <li>→ innovations</li> <li>→ safety</li> </ul>
<b>DE-ICING/ ANTI-ICING</b>	<ul style="list-style-type: none"> <li>→ environmental issues</li> <li>→ chemicals</li> <li>→ equipment</li> <li>→ application</li> </ul>
<b>SAFETY ISSUES</b>	<ul style="list-style-type: none"> <li>→ stability of slopes</li> <li>→ driving conditions</li> <li>→ stabilising slips</li> <li>→ accident reduction</li> </ul>
<b>CUSTOMER EXPECTATIONS</b>	<ul style="list-style-type: none"> <li>→ motorists &amp; truck operators</li> <li>→ businesses</li> </ul>
<b>ROAD WEATHER INFORMATION SYSTEMS</b>	<ul style="list-style-type: none"> <li>→ equipment</li> <li>→ thermal mapping</li> <li>→ ice prediction</li> <li>→ weather forecasting</li> </ul>
<b>VARIABLE MESSAGE SIGNS</b>	<ul style="list-style-type: none"> <li>→ VMS</li> </ul>
<b>ROADS AND PAVEMENT</b>	<ul style="list-style-type: none"> <li>→ design</li> <li>→ construction</li> <li>→ markings</li> <li>→ signage</li> <li>→ surfacings</li> </ul>
<b>NEW TECHNOLOGY</b>	<ul style="list-style-type: none"> <li>→ local</li> <li>→ international</li> </ul>

# WINTER MAINTENANCE SYMPOSIUM

## → AIR TRAVEL

Air New Zealand and Jet Star fly into Queenstown from most major cities in New Zealand. Delegates are advised to book early to get the best possible fares. If you advise NZIHT (Lucy Barrett) of your flight arrival time NZIHT will organise a courtesy transfer from the airport to the hotel.

## → SPONSORSHIP AND TRADE DISPLAYS

The last Symposium was well attended and provided an excellent opportunity for companies to advertise their products and services to Clients, Consulting Engineers and Contractors in the roading industry. Space is limited so please indicate your interest early. We also offer companies the opportunity to sponsor various events at the Symposium so please indicate your interest and we will forward you more information in the near future.

## → WHO SHOULD ATTEND

This Winter Maintenance Symposium will be of interest to the following groups:

- NZTA
- Contractors with interests in maintenance contracts in hazardous areas
- Consultants with interests in maintenance contracts in hazardous areas
- Regional and Local Authorities with interests in maintenance and remedial contracts in hazardous areas
- Suppliers of specialist equipment and products (eg VMS, de-icing products)
- Automobile Association
- Road Transport Forum
- Meteorological Service
- NZ Police
- Tourist Industry / Ski Field Operators, and
- Airport Operators
- Academics
